

# Additive. Spotter. Degreaser.

The **LAST** Additive, Spotter, Degreaser **You'll Ever BUY**

Citrus Force ASD offers a powerful, grease-cutting formula that blends the natural power of citrus solvents to double and even triple the ordinary pre-spray's soil-dissolving ability. It easily handles caked-on food stains in restaurants, tracked-in motor grease in auto repair shops, and even pet and juice stains on residential carpets, too.

Citrus Force can be used on more than carpet. Add it to your upholstery pre-spray for synthetic fabrics and watch it make quick work of the most challenging upholstery soils, too. It easily and gently removes dirt and the occasional food spill to bring new life to a soiled couch or chair.

Citrus Force can also be used as a spotter on oil-based stains such as grease, tar, cosmetics, even gum. It liquefies oily binders for quick and easy extraction.

Matrix chemists designed Citrus Force to not only get better cleaning results, but to also save you time and money. With Citrus Force, it will take fewer wand passes and no extra applications of expensive pre-sprays to get the job done, so you get fast and efficient soil removal with less work.

As an added bonus, the fresh citrus fragrance will really impress your customers, too!

**Works GREAT on:**  
**Upholstery & Carpet**  
**Hard Surfaces**  
**Oily Stains**

## Dilutions and Usage Instructions

### Dilutions:

- **Pre-spray:** 8-10 oz per gallon of water.
- **Additive:** 1-2 oz per ready-to-use gallon of cleaning solution.

### Usage Instructions:

1. Always pretest in an inconspicuous area for color fastness.

### Spotter/Degreaser

1. Apply small amount of Citrus Force ASD to affected area.
2. Agitate gently with a bone spatula.
3. Blot with a clean white towel.
4. Rinse with water to remove any residue and blot dry.

### Additive for Carpet or Upholstery:

**Note:** When cleaning upholstery, use Citrus Force ASD as an additive on synthetic fabrics only.

1. Add 1-2 oz of Citrus Force ASD per ready-to-use gallon of pre-spray.
2. Apply and extract area as normal.

### Key Features

Specially formulated with natural orange oils

Can also be used to remove grease, oil, tar, asphalt, gum, mascara, wax, lipstick, creosote, crayon, residue from masking tape, duct tape, labels, etc.

Safe for use on carpet as well as glass, fiberglass, machinery, wood paneling, concrete floors, metals, tools and engines.
